

International Spotlight

1. Choose any country in the world.
2. Create a presentation about that country with the following information:
 - Name of Country (*please double check spelling*)
 - Population
 - Population Density (*how many people per square kilometer*)
 - Average Life Expectancy
 - Average yearly income per person (*convert to dollars*)
 - Human Development Index ranking (*1-260*)
 - Common Occupations
 - Main Languages Spoken (*list no more than 3*)
 - Main Religions Practiced (*list no more than 3*)
 - Pictures (*you must have the following, but you are welcome to add more*)
 1. Location on World Map (*World map with your country identified*)
 2. Flag
 3. Traditional housing
 4. Famous landmark (*identify landmark on pic. If there are no famous landmarks, include a photo of cool local architecture.*)
 5. People of the nation

*You may use whichever app you prefer to complete this project.

*The number of slides/length of presentation is up to you, as long as all points are covered.

*Yes, you may add school appropriate music, but music is not required.

*Submit to eBackpack when complete. If you created an iMovie project, please share the file with me in Google drive.
