Tourist Poster Map Instructions

Objective: With a team of 5 or 6, draw a tourist-style map that includes the places below. Your map should be bright, fun, cartoon-style, fully colored, and have small drawings to match the locations.

Locations of things like kangaroos, kualas, and flags, etc. are up to you. Only items with exact locations must be placed in their exact locations.

Map Must Have:

Title (Australia, written in bright, cartoon-like letters)

- Student names on FRONT in bottom right.

On Map:

Rabbit-proof fence 1, 2, and 3 (should look like long fences. One title "Rabbit-Proof Fences")

Draw 8-10 rabbits close to the fence, on the EASTERN side.

Perth (name and dot to represent a city)

Sydney (Draw the Opera House)

Canberra (Star for the capitol)

Melbourne (name and dot to represent a city)

Adelaide (name and dot to represent a city)

Brisbane (name and dot to represent a city)

Indian Ocean (draw some large waves in the ocean)

Pacific Ocean (draw some large waves in the ocean)

Bass Strait (waves running through the strait)

Moore River (draw the river with waves, and also a picture of the "Settlement" with a little church)

Jigalong (draw a picture of some Aboriginal people, a boomerang, a didgeridoo)

Ayers Rock (draw the rock formation)

Alice Springs (draw the springs)

Great Barrier Reef (draw some colorful reef, and fish, like Nemo)

Kangaroo (somewhere on the map)

Tasmania with picture

Kuala Bear (somewhere on the map)

Molly, Gracie and Daisy standing near the fence at some point on their walk home.

Australian Flag (waving from a pole)

Southern Cross (draw and label, amongst a bunch of stars somewhere towards the top of Australia)

Tasmanian Devil in Tasmania

Add TWO-FOUR pictures of your choosing

Outback (Shade the portions of the map that are outback in tan. Do this AFTER you have drawn all of your pictures)

Green Farm land (Shade whatever is not outback in GREEN. Do this AFTER you have drawn all of your pictures and shade around them.)

Examples below:

Australia

Australia
Darwin
Aborigines are the people native to Australia.
A lot of interesting animals live in the ocean like Dolphins, Whales and Sharks.
Northern Territory
Pineapples and bananas grow in Queensland because it is hot.
Queensland
Western Australia
Wombats, Emus and Koalas are special because they only live in Australia.
South Australia
Brisbane
The middle of Australia is very hot, dusty and dry.
New South Wales
Perth
A lot of food is grown in Australia including grapes.
Canberra
Sydney
Adelaide
Australian Capital Territory
Victoria
Miners dig for gold and diamonds in the ground.
Melbourne
It gets very cold in the mountains and in winter it snows.
Hobart
Tasmania
Every year people race sail boats from Sydney to Hobart.
